## In the Spotlight: Dr Kiera Lane

Congratulations to Dr. Kiera Lane on publishing her book, ***“Complete Fertility Solutions for Natural Fertility and Improving IVF Success Everyone Should Know!”***

Dr. Kiera Lane is a 2000 SCNM graduate. Additionally, she graduated valedictorian with her Master’s degree in Acupuncture from the Phoenix Institute of Herbal Medicine in 2004 and earned a Bachelor of Science Degree in the area of Dietetics (Clinical Nutrition) from Arizona State University. She is a fellow of the American Board of Oriental Reproductive Medicine (ABORM), an international organization pioneering best practices in acupuncture and oriental reproductive medicine with cutting-edge innovations and integrative evidence-based care. Dr. Lane has been practicing integrative family medicine with a focus on women’s health and fertility for nearly two decades. She is the founder and Medical Director of Arizona Natural Medicine Physicians, PLLC in Chandler providing comprehensive and skilled integrative medical care focused on women, men and families.

## About the Book

This book was written to give the most comprehensive, researched, and practical tools to improve natural fertility and IVF success. Dr. Lane helps you discover roadblocks to your fertility struggles that may be commonly associated with infertility, such as PCOS, as well as less considered reasons that prevent you from pregnancy success such as MTHFR methylation mutations, immunological factors, and male factor. Well researched and one of the most comprehensive guides to improving natural fertility.

This is your complete fertility guide to triumph over your fertility struggles. This book includes diet, lifestyle, acupuncture, and other strategies for success plus a summarized Complete Fertility Checklist. Gain better control and take charge of your fertility. Explore the causes and natural, well-researched and effective solutions to conceiving naturally and improving IVF success. This book serves to empower those struggling with infertility to create optimism and hope to realize their baby dreams.

## Alumni Promotions on Campus!

Dr. Shaun Kennedy graduated from SCNM in 2016, where he completed a year of general practice residency, and a second-year homeopathic focused residency. Since completing his residency, he has taught at SCNM as a clinical adjunct faculty member, and in the classroom in a variety of courses. In line with his passion for utilizing food as medicine, Dr. Kennedy will be focusing his teaching time in the Nutrition Department. We look forward to the expertise he will bring to the department.

Please join us in congratulating Dr. Kennedy!
